Assistant Coral Biologist

Title	Reefscapers Coral Biologist (full time, annual renewable contract)
Location	Marine Discovery Centre, Four Seasons Resort Landaa Giraavaru, Baa Atoll, Maldives
Apply Before	4 February 2023
Start Date	April 2023 (to be confirmed)
Contact	Dr Katrina Himpson, MDC Manager: mdcmanager.mlg@fourseasons.com
Websites	Reefscapers.com ; MarineSavers.com

We are seeking a motivated, out-going Assistant Coral Biologist to join our team of dedicated conservationists at our Marine Discovery Centre (MDC), based at Four Seasons Resort Landaa Giraavaru in the Maldives.

Asst Coral Biologist Role

- Engage in all aspects of our coral propagation program, under direction of the Coral Biologist.
- Maintain our coral frame database and provide photo updates for guest-sponsored frames.
- Collect coral fragments to create new frames; maintain and monitor/photograph existing frames.
- Write monthly illustrated reports (in English) for resort management and to feature on our websites.
- Conduct marine life briefings and guided snorkels for guests and journalists; devise new guest activities.
- Participate in coral spawning research and contribute to advancements in this program.
- Work with colleagues to explore new research ideas for coral propagation and the wider marine biology field.
- Produce social media content to highlight conservation issues and increase awareness of work carried out.

Candidate Specification

- BSc/MSc in Marine Sciences (Marine Biology, Environmental Science).
- Essential: experience in coral ID, conservation & research, reef propagation, awareness/education.
- Experience shooting underwater photos/video, creating social media content, and managing multiple accounts.
- Effective communication skills, particularly written/spoken English (extra languages desirable).
- Excellent team player, able to work closely alongside colleagues and unsupervised under own initiative.
- Confident swimmer/freediver, SCUBA certification (*minimum* PADI Dive Master); boat licence (preferred).
- Physically fit non-smoker, able to carry 20kg weight, and work long hours daily in the ocean in all weathers.
- Accurate computer skills and Excel numeracy; experience of databases (preferred).
- Positive, professional attitude; self-disciplined; good time management; resort experience (preferred).

Salary and Benefits

- The salary for this position is $750 USD per month (plus a small commission).
- Working hours 09:00 to 18:00 with occasional evenings; one off day per week; 36 days annual leave.
- Basic DAN dive insurance (sports diver bronze).
- Uniform; staff canteen meals; shared same-sex staff accommodation.
- Annual return flight (from Maldives to a regional international hub).
- High standards of dress code and behaviour are expected (details provided upon selection). This includes maintaining a professional appearance and a helpful attitude towards resort guests and fellow staff.

Application process – please read carefully

Email your CV and cover letter (as PDF file/s with your name in the filename) to:
Dr Katrina Himpson, MDC Manager - mdcmanager.mlg@fourseasons.com
